Redwood Restaurant

Gov. visit and 15th induction ceremonies a big success!

Last July 6, 2006, the Rotary Club of South Triangle had its very very successful Governor's Visit and 15th Induction of Officers at the Restaurant 9501, ABS-CBN compound, Brgy. South Triangle.

The Gov's Visit was both warm and cordial. The one-on-one lasted a bit more than an hour with very productive results. In attendance aside from Gov. Danny Espinosa and Pres. Manny Guballa were DS Dulce Coyukiat, AG Jun Belgica and PN/Sec. Cynthia Sotooka.

This was followed by the Club Assembly where the different service directors presented their respective plans and objectives for the club this Rotary year. The presentors were VP-Internal Bernie Cruz for Club Service I, PP Ray Achacoso for Club Service II, PP Frank Abueva for Vocational Service, PP Ben Roxas for Community Service, Dir. Art Tarnate for Service to New Generations, PP Willy Chi for International Service and PP Ricky Rios for TRF.

Rtn. Bimbo Baldo led the invocation during the club's 15th induction ceremonies. PP Willy Chi, PP Butch Arroyo and Rtn. Ella Pineda are one in praying. PP Butch and Rtn. Ella were the night's very abled emcees.

Gov. Danny and his team were very satisfied with the completeness and doableness of the plans and objectives.

The 15th induction ceremonies was equally very successful. Thanks to PN/Sec. Cynthia Sotooka and her induction committee team for the very lively and vibrant occassion.

The program was ably anchored by PP Butch Arroyo and Rtn. Ella Pineda. The

President's Column

by: Pres. Manny Guballa

Our July 6 affair was another red-letter day for the club. Though there were a few glitches, the affair went through smoothly and within the time frame planned. We had a total of 97 guests (not including the combo and our staff) who part-took of our sumptuous meal and enjoyed the program.

All the Thursday Clubs (total of 26 clubs) begged off at the last minute since that day was also the first meeting of their clubs. The "tuna", as usual, was the first to be served and the first to go, followed by our "lechon" and the lamb (which arrived a little late). Governor Dan, together with District Secretary Dulce and Assistant Governor Jun arrived exactly fifteen minutes before 4 pm that day.

Everyone including Sec. Cynthia proceeded to the Roxas Room for the one-on-one and three-on-one (in our case – too since Cynthia is both the secretary and PE) meeting with the governor. This was followed by a comprehensive presentation by the board of directors with matching LCD presentation. This lasted till 7:30 pm that night.

The program started at 8:30 pm after dinner and lasted exactly 2 hours as planned. This was followed by a fellowship accompanied by the 60's band. The restaurant was then totally vacated at 12:00 am July 7. I considered this event as another memorable milestone in the annals of our club's history. All our events, in this venue, seem to earmark an element of success. I see it more as the avid participation of the members to the success of each of our affair held here at 9501. I would like to thank all the members for their earnest participation in

Words of wisdom

Small accomplishments

In just five minutes, you can accomplish something. You can decide on a small goal, work on it with focus and diligence, and in less than five minutes it will be done.

Anyone can choose a small accomplishment and have it done in just a few minutes. And though it may not seem like much, it can be everything.

For the biggest, most impressive and imposing achievements are made up of small accomplishments. Those small accomplishments are open and freely available to anyone who decides to make them happen.

Sometimes it can be comforting to think that the path to success is a closely guarded secret, and that the lucky few who know the secret are the ones who succeed. But there really is no secret.

Success comes to those who choose to make it happen. Success comes to those who string together the small accomplishments, one after another after another.

Instead of searching or hoping or waiting for a secret that does not even exist, get busy working on what you know must be done. Take every opportunity to bring about a small accomplishment.

And before long, those small accomplishments will add up to something truly grand.

— Ralph Marston

Gov. visit ... (from p. 1)

invocation was led by Rtn. Bimbo Baldo; the national anthem by spouse Charo Baldo; the welcome remarks by Sec. Cynthia; the valedictory address by IPP BH Herrera-Dy; the introduction of Pres. Manny by PP Ben; the inaugural address by Pres. Manny; the introduction of the guest of honor and speaker by PP Xyrus Lanot and the response of PP Edcel Lagman were all very timely and superbly delivered.

The speech of Gov. Danny generally emphasized on the priorities of this Rotary year which the RCST had addressed comprehensively in its plans but challenged the club to do more. From what Gov. Danny had read from the reports, heard from the presentations and seen from the RCST family, he believes that it would be another banner year for RCST. Gov. Danny gave RCST an EXCELLENT grade together with his trust and confidence.

Comments from our friends and guests that night were overwhelming especially on the venue, food and the fellowship. What with a live band and an animated RCST family jamming, dancing, drinking, eating and entertaining with friends and guests alike. It was really a night to remember!

-- PP Ricky Rios

R.I. President's Message

Bill's Message

July 2006

The Rotarian

As we embark on a new Rotary year, we look ahead to new responsibilities, new challenges, and new opportunities.

Rotary has flourished for so long because it offers constant values to its members: fellowship, friendship, and doing good work in the world. And Rotary has been welcomed into new communities and new countries because it is not afraid to adapt and respond, to embrace different cultures, and to hold firm to its core principles of honesty, tolerance, and unselfishness.

While the mission and motto of Rotary remain constant, we must always be open to the need for change. Part of our ongoing task as Rotarians is to stay aware of needs — in our own organization and in the communities we serve. Our membership is evolving, and we are welcoming more and more new members who, a decade ago, would never have thought to join Rotary. Our work is evolving, just as our communities' needs and our ability to address them are.

In a world where so much is in flux and so little can be predicted with certainty, Rotary cannot afford complacency. Challenges are constant; so are opportunities. Today, we need every Rotarian more than ever, because in our diversity lies our strength.

In the coming Rotary year, I ask all of you to join me as we *Lead the Way* to a better Rotary and better communities. By this, I mean to ask you to be leaders in your communities — to show others that solid integrity, concern for others, and generosity of spirit are ageless

values and that good business does not preclude good ethics.

As Rotarians, we are not content to let matters stay the way they have always been, whether in our clubs or in our communities. We are the ones who ask, Why not us? We are the ones with the skills and the desires to build a better future. And we are the ones who must *Lead the Way*.

Every Rotarian has so much to offer that I wish there were a Rotary office for everyone. But the strength of Rotary is that around the world, all of our tremendous talent flows into the clubs. In the last year, as I have met so many of you, I have become more and more confident that Rotarians are ready and able to *Lead the Way* — and that the best years of Rotary are yet to come.

Did you know ...

Many years ago in Scotland, a new game was invented. It was ruled "Gentlemen Only...Ladies Forbidden"...and thus the word GOLF entered into the English language.

Q. If you were to spell out numbers, how far would you have to go until you would find the letter "A"?

A. One thousand
