## RCST prepares for its 14th Charter Anniversary Celebration

With the hosting of the Barangay Summit by the Rotary Club of South Triangle postponed by Gov. Danny Espinosa which was supposed to be held last October 7, 2006, the club shifted its focus on the preparation of its 14th charter anniversary celebration.

In last Thursday's meeting, charter anniversary overall chairman VP Bernie Cruz reminded the different committee chairpersons of the work to be done in their respective areas to ensure the success of the celebration. This year's theme is "Leaders of Nation" and members are had started contemplating on who will be the leader they will emulate.

Pres. Manny Guballa also reminded members of their solicitations for the charter anniversary souvenir program.

Also in last Thursday's meeting, PP Frank Abueva took time to speak before the club to present the position of the Outdoor Advertising Association of the Philippines (OAAP) regarding the current "urge" to remove most of the billboards along major thoroughfares under the guise that these structures dangerous. Per PP Frank, in his capacity as president of the OAAP, they are for removal of any illegal billboards and structures not complying to the building code. PP Frank appealed for understanding of the situation.

Participants of the just concluded painting contest for elementary school kids of Barangay South Triangle which was conducted by the Rotaract Club of South Triangle held at the residence PP Xyrus Lanot. Far back is spouse Vangie and Rotaractor judges Gian and Gemo Lanot.

## **President's Corner**

by: Pres. Manny Guballa

It is now the 2nd quarter of this Rotary Year and the number of activities of the Rotary District seems forever increasing. This weekend, we are holding our third president's meeting at Peppermill Grill along Roces Avenue and a myriad of activities has been forwarded even before the aforementioned meeting. Next week, the Interact Distas is going to be held at the Rotary Center and PP Bobby Lim expects a delegation from us. Next-next Tuesday (October 24), the Rotary Club of New Manila East is having a Vocational Service Intercity Meeting at Innotech Building. A fee of 2000 pesos allows the club to attend with "limitless" number of delegates. Individual members will be charged 250 pesos if the Rotary Club is not a co-host. Next Thursday, is the birthday of DG Dan and we are all invited for a wellness day and a bloodletting program at the Rotary Center. The following day is the 1st DG Dan Golf Tournament sponsored by the Rotary Club of Tandang Sora. On October 27, just before the Halloween break, the Rotary Club of New Manila is sponsoring the "Oktoberfest" Celebration at Central Station at the corner of EDSA and Quezon Blvd. Booths for the day's activity are available through Pres. Boy Oliveros.

We are fast approaching our 15th Charter Anniversary Celebration. Our slated venue is the Amoranto Multipurpose Hall along Sct. Chuatoco Ave. Spouses, our guests and we are required to come in a "recognizable" leader costume. We hope to make this a very memorable affair for both the district and the club. The solicitation forms for the souvenir program is already out and payments plus layouts can be given to Diane, our executive secretary. Invitations for the said affair is schedule to come out next week.

The 1st RCST Shoot fest is slated to be moved to the first week of December for the simple reason that the Philippine Practical Shooters Association is also sponsoring a shoot fest on the 24th day of November. Most of the shooters invited to our competition are coming from this organization. We hope to schedule this either on December 2 or December 9, 2006. This will also give us more time to prepare and practice for the said activity. There are barely 75 days before Christmas and many of us are already preparing for this "season of joy" (or expense). In between are Halloween and the myriad of district activities. We have, but two (charter and shoot fest) major activities in the club. Let us all help to make each and every activity successful and memorable.

### **RCST prepares ... (from p 1)**

The issue of illegal billboards came about as an aftermath of super typhon "Melenyo" which toppled a lot of trees and structures including billboards and killing many along the way and one of them by a toppled billboard.

Let's join PP Frank in his appeal that we may find the best solution to all of these.

### **"POLITICS"**

Politics is not an exact science.

OTTO VON BISMARCK

Finality is not the language of politics.

BENJAMIN DISRAELI

You can't adopt politics as a profession and remain honest.

In our time, political speech and writing are largely the defense of the indefensible.

Politics, as a practice, whatever its professions, has always been the systematic organization of hatred.

### **Come to understand**

Life grows brighter when you come to understand. Live with a love and thankfulness for life, and your understanding of it will become more valuable.

Come to understand that the other people in your world have perspectives, purposes and priorities that are different than yours. It will save you from a lot of needless frustration and anger.

Come to understand that loss is a part of life. And you always have every reason and ability to heal.

Come to understand that giving and receiving are always inseparable. The level of abundance you experience is equal to the value and goodness flowing out from you.

Come to understand that sometimes the most powerful response is patience. There are many battles you do not really need to fight.

Come to understand that whatever may have been or wherever you may find yourself, you always have a choice. Choose to live each moment with positive purpose, and you will truly come to understand.
