Nomination night on Oct. 26

Even with the many activities the Rotary Club of South Triangle is involved in, the general membership has to stop a while and ponder who among its members will comprise the board of PN Cynthia Sootoka and also the next president nominee of the club. But before this can happen, the club will have to hold its nomination night on Oct. 26, 2006. The nomination will be handled by the COMELEC of the club. This year's COMELEC is composed of PP Butch Arroyo as chairman, PP Edcel Lagman and IPP BH Herrera-Dy as members.

The nomination night is usually held one month before the club's annual meeting. For several years now, RCST had been holding its nomination night on the last Thursday of October because the first week of November is a very busy week for RCST because it is the week prior to its charter anniversary and not to mention the All Saint's Day holiday.

The club's annual meeting is on Dec. 7, 2006 and it is during this annual meeting that the election of officers and the next president nominee takes place.

On the Interact District Assembly

The meat processing seminar conducted by the Bagong Henerasyon Foundation, Inc. of IPP BH Herrera-Dy during the very successful RCST hosted district jobs fair at the Quezon City Hall grounds.

(DISTAS), it is good that the event was postponed to November 18, 2006 because it will give Dir. Art Tarnate of Service to New Generations enough time to get in touch with the Interact Club of Montessori Integrated School of Antipolo (MISA), the club's sponsored Interact club. Since its chartering, the Interact Club of MISA had been actively participating in this event and doing very well. Definitely, the Interact DISTAS is a very good exposure and experience for its current set of officers.

President's Corner

by: Pres. Manny Guballa

There are 66 days before Christmas, and as the yuletide season approaches, the number of activities seems to lessen. However, we are busier than ever preparing for the season of joy. Our district obligations have all been accomplished except for our hosting of the awards night at the turnover ceremonies of our governor. The venue is at the Crossroads 77, where we had the initial turnover rites, when Gov. Dan took over. This is however, at the end of this Rotary Year. The district activities however seem to increase as Christmas approaches.

This weekend, we are celebrating the birthday of our Governor. This Sunday, there is going to be a celebration at KIA motor, Quezon Ave., of the Governors birthday. There will be a mass at 3 PM followed by a short program at 4 in the afternoon. The attire is "Hawaiian". It is advised that well wishers come early, due to the difficulty in parking spaces. The club presidents have already contributed for the gift for the governor and anything the club wishes to give is more than welcome.

The Interact Distas this coming Saturday has been postponed to November 18, 2006. The sponsor, RC Metro Diliman is asking for co-sponsorship of 2,500 PhP, which includes 3 delegates to the convention. Otherwise, each delegate will be assessed 300 PhP for aforementioned convention. We will be contacting our Interact Club (MISA) to participate in the said affair.

On October 27, 2006, the Rotary Club of New Manila will be sponsoring the yearly "Oktoberfest" at the Central Station along EDSA and Quezon Blvd. Booths will be available for the affair and a beer drinking contest is up for the taking. This will be a whole day affair.

On November 18, 2006, a "On to

Utah" seminar will be held at the Rotary Center. PP Jess Tanchanco has invited U.S. Consul General Richard Haynes to be the guest speaker for the said affair. Questions on visa applications, endorsement by the district and total convention cost will be discussed in the panel discussions. Those interested in going to the international convention at Salt Lake City are encourage to attend the said affair.

The club has two schedule activities before the Christmas Break. The first is our charter anniversary celebration on November 9, 2006 at the Amoranto Multipurpose Center. We will be trying to obtain trees for our yearly tree planting affair for the said date. The solicitations are out and we are asking everyone to bring their ads early so that we can produce the souvenir program on time. The second activity is our "1st RCST Shoot fest" at Camp Tomas Karingal in Sikatuna Village on November 24, 2006. Patrons for the said affair will be assessed PhP 500 while Bay Sponsors will be asked for PhP 5,000 for one half of each 4 bays. We will be coming out with the invitations for both the affairs by next week. Please submit the names of would-be shooters so that we can write them an invitation or sponsorship letter.

Lighter side ...

WHO DOES WHAT

A man and his wife were having an argument about who should brew the coffee each morning.

The wife said, "You should do it because you get up first, and then we don't have to wait as long to get our coffee.

The husband said, "You are in charge of cooking around here and you should do it, because that is your job, and I can just wait for my coffee."

Wife replies, "No, you should do it, and besides, it is in the Bible that the man should do the coffee."

Husband replies, "I can't believe that, show me."

So she fetched the Bible, and opened the New Testament and showed him at the top of several pages, that it indeed says "HEBREWS"

Words of Wisdom

Read the RCST Bulletin in the internet at

Bring your vision to life

To change your reality, first change your perceptions. To bring something into your world, first bring it fully to life within yourself.

Go beyond merely thinking about what you would like to do, or be, or create. Go ahead and experience it in detail with all that you are.

In your mind's eye, with your emotions fully engaged, surround yourself with the richness of whatever you envision. Fill your awareness with the sights, the sounds, the feelings, and the texture of it all.

Allow yourself to experience the pure joy of the best life you can imagine. Let that feeling penetrate to the very depth of your being.

Make it real within you, and you'll begin to make it real in the world around you. Know without a doubt that it is, and it will begin to be.

Bring your vision to life on the stage of your awareness. And the positive energy you focus upon it will surely make it real.

— Ralph Marston

Quotes

There is no limit to what you can imagine. And with commitment, with effort, what you can imagine you can become. Put your mind to work for you. Believe that you can do it. The world will tell you that you can't. Yet, in your belief you'll find the strength, you'll find the ability, to do it anyway.
