The R.I. District 3810 and R.I. District 3780 joint luncheon meeting for RIPE Dong Kurn Lee was held last October 17, 2007 at the Innotech in Quezon City. According to RIPE Dong Kurn Lee in his speech "Becoming a Rotarian is a lifetime commitment". He also gave emphasis on membership growth as the source of club strength and power. He further added that "when Rotary grows, the community becomes stronger".

There were only 15 clubs that participated in the photo exhibit at the lobby of Innotech and the Rotary Club of South Triangle was among them. Again, the "Computer on Wheels", the "Hospital on Wheels" and the RCST Botica ng Barangay booth were prominently displayed on the front ground of Innotech. The surgical mobile unit of the Rotary Club of San Francisco Del Monte was also displayed.

Last Saturday, October 20, 2007 was a big night for the District. The "Rampa Rotarian Rampa 2007", a fund raising fashion parade hosted by RC Cubao East in cooperation with the Philippine Academy of Fashion Designers (PAFD), featured professional models back to back with Sharing Presidents and District Officers. It was a night of fashion and glamour. PP BH Herrera-Dy and I were among the best for we wore gowns specially designed by Boying Eustaquio.

Our charter anniversary celebration on November 8, 2007 is fast approaching and preparations are being made to make it another affair to remember. Our theme for this Rotary Year is "Reaching Culture Sharing Treasures" of Muslim Mindanao. We encourage all to come in their Muslim attire.

This is our way of showing our appreciation of the culture of our brothers and sisters in Mindanao. We are inviting PDG Romy Millan as our Rotarian guest of honor and speaker. We are also inviting a non-Rotarian leader as another guest speaker through PP Edcel Lagman.

This morning, we had a committee breakfast meeting for the charter anniversary celebration to assess the progress of the preparations being done. After the meeting, we visited the office of Atty. Charito Planas in her capacity as administrator of the Quezon City Circle and we were able to obtain permission to plant 16 trees in the area to commemorate the 16 presidents of the club.
